REQUIRED REVIEWS & INSPECTIONS

The City performs inspections and reviews to ensure that you, your staff, and your customers will have and continue to have a safe environment in which to conduct business. The inspection process includes the following:

Development Services (352) 483-5460 4 N. Grove Street, Eustis FL 32726

Applicants submit applications for new and relocating businesses to Development Services. This department reviews the location to ensure the proposed business activity is permitted in the land use district assigned to the physical business location, parking availability, and accessibility to roads. A conditional use permit, including City Commission approval, may be required depending on the business activity or land use designation of the property. A home business is a conditional use and must meet specific criteria (See Page 4) in order to receive administrative approval.

Building Department (352) 483-5462 111 E. Orange Avenue, Eustis FL 32726

The Building Department reviews applications based on the type of business and the construction type of the proposed location. Building Department staff may require an inspection to ensure compliance with the Florida Building Code. Indicating the type of business that previously occupied the location (on Page 2) may help expedite the review process.

Fire Department (352) 357-6585 100 W. Norton Avenue, Eustis FL 32726

The Fire Department must inspect and approve each proposed business location/site for life safety compliance prior to issuance of a Business Tax Receipt. Payment of the fire inspection fee of \$25 (and re-inspection fees, if necessary) is payable at the time of BTR issuance. Businesses that are exempt from the business tax are still required to have the life/safety inspection prior to opening. Home occupations generally do not require inspection; however, the Fire Department reserves the right to require an inspection if the business type, storage of materials, etc. warrants.

It is your responsibility to schedule the fire inspection before your business opens. The business establishment must be set-up like it is ready to open for the inspection to be completed. Information regarding the inspection can be found on the Pre-Inspection Checklist at http://www.eustis.org/forms/fire_preinspection.pdf

Police Department (352) 483-5400 51 E. Norton Avenue, Eustis FL 32726

The Police Department requires emergency contact information and alarm system information (if applicable), which the applicant provides on Page 5 of this application form.

Please Note: City Code Sec. 78-57 requires all occupants or owners of improved real property in the City to have solid waste collection and disposal services as provided by the City through its designated franchise. Owners/occupants of commercial property must contact Waste Management (352) 787-4416 directly to obtain solid waste collection and disposal information and services.

I understand that submitting this application does not allow me to operate or engage in any business within the City of Eustis until the Finance Director, or designee, issues a Business Tax Receipt. I further understand that anyone who operates a business without having obtained a Business Tax Receipt shall be subject to a penalty of 25% of the tax due plus a surcharge of \$100.
