Celebrate the New Year at the Fire and Ice First Friday in Eustis

EUSTIS – The New Year is officially here and what better way to get in the spirit of 2024 than with the City of Eustis' first First Friday of the year!

On Friday, January 5, 2024 from 6 to 9 p.m., downtown Eustis will come alive with Fire & Ice, featuring an ice sculptor and special fire performances throughout the evening. Live music by the Dave Capp Project featuring France Neil on our Eustis Street stage, along with food and shopping along the city's streets will also highlight the evening.

The ice sculptor from IcePro Orlando will be showcasing his talents from 6 p.m. to 7:45 p.m. at the intersection of Magnolia Avenue and Grove Street. Spectators are encouraged to watch as he creates an incredible Eustis- themed sculpture out of a block of ice!

In keeping with the theme, an exciting fire performer, Amora Fire, will also be performing shows at 6:15, 7:15, and 8:15 p.m. in the center of town, juggling fire and committing daring acts for the crowd.

Come visit this family friendly event and enjoy all that Eustis has to offer. For more information, call (352) 483-5491.
