Round Up / No Change (Elimination of Penny) Policy

On May 22, 2025 the U.S. Treasury Department announced it will end the production of pennies in early 2026. Even though pennies will no longer be minted, existing pennies will remain in circulation as legal tender for quite some time.

Effective January 1, 2026, the City of Eustis cannot guarantee that we will be able to issue exact change to customers making payments with cash.

In preparation for the lack of needed denominations of change on hand at all times, the City has prepared a policy which will apply to all customers who pay in cash at any of the City's cash collection locations (Water Customer Service, Library, Parks & Recreation, Permitting, etc.).

Visit our website at eustis.org/pennypolicy to review the full policy.
