From the City Clerk's Office ...

City Clerk Christine Halloran has announced a new service the City is offering to assist the public with obtaining public records. **NextRequest** is a software program that will be placed on the City's website at Eustis.org. Individuals will access the program through the link on the City's website titled "**Public Records Requests**". The service will enable requestors to see other recent records requests and obtain copies without having to wait. They will also be able to see the status of an ongoing request. The expected launch date for this new process is mid-July.

The **City Commission** has agreed to cancel the July 4th regular City Commission meeting due to the annual Independence Day celebration. The August 15th regular Commission meeting has also been cancelled due to the majority of the Commissioners attending the annual Florida League of Cities conference.

The **formal qualifying period** for the City Commission is fast approaching. Qualifying will open at Noon on Monday, August 5th and close at Noon on Friday, August 9th. Three seats are up for election on the November 5th ballot – Seats 3, 4 and 5.
