Phase of Competition

Miss and Teen

Interview:

Each contestant will have a 5-minute interview with a panel of judges. Questions could range from “Tell us about yourself” to “Why do you want to be Miss Eustis?”. This is a light, conversational opportunity for the judges to get to know the contestants individually. It is also a chance for our young ladies to begin learning and enhancing their interview skills. Whether applying for University or trying to land a dream job, developing these professional traits will be valuable to our contestants’ future. Contestants should wear their Sunday best or professional attire, just as they would for a professional interview.

Fitness Wear:

Toss away your heels and grab your sneakers! Whether you love your softball, cheerleading or volleyball uniform or have favorite gym wear, model your best fitness attire to fun, upbeat music. Show the judges your confidence, positive attitude, and high-level of energy in this 20 - 30 second on-stage, personal routine.

Evening/Red Carpet Attire:

We will slow things down for an opportunity for our ladies to shine on stage in their favorite eveningwear. The judges will be looking for poise, confidence, and the contestant’s ability to captivate the crowd in this 20 – 45 second on-stage, personal routine.

On-Stage Question:

During our final phase of competition, our judges will ask each contestant an on-stage question. These questions will either be one they previously answered well in the personal interview, or a question that directly relates to their personal application page. Questions will be selected by the judges.

Contestants will be given a score of 1-10 for each category and those scores will be weighted as follows;

35% Interview

25% Evening Attire

20% Fitness Wear

20% On-Stage Question

Ties will be broken based upon individual category scores in interview.
